

COMMON TIME 2.0!

We've been apart too long!

You are invited to return to a cautious Common Time on Friday, July 10, from 5:00 to 6:00. Medical advice has encouraged us to provide an opportunity to safely re-connect with our neighbors.

The July 10 event will be just a first step. We hope to incorporate more elements of our traditional Common Time as we learn about what works and receive feedback from residents.

Guidelines for July 10:

Residents only. NO guests.

Bring your own beverage and glasses.

Do not bring food. Packaged snacks will be provided.

Chairs will be placed for safe distancing at the patio, the Brass Rail, and dining room.

For safety, do not move the chairs.

Wear a mask while standing or at tables unless you are safely distanced .

You are welcome to move about and mingle.

There will be no charge for attending.
